JSTOR is a digital library of academic journals, books, and primary source objects. JSTOR helps people discover, use, and build upon a wide range of content through a powerful research and teaching platform, and preserves this content for future generations. JSTOR is part of ITHAKA, a not-for-profit organization that also includes Ithaka S+R and Portico. For more information about JSTOR, please contact support@jstor.org.

other public place or in or upon any lot or premises known to have rabies or hydrophobia or known to have been bitten by any dog having rabies or hydrophobia.

SEC. 7. It shall be unlawful for any person to interfere with, oppose, or resist any humane animal inspector, or any police officer or any special officer of the said city, or the health commissioner, his assistants, deputies, or inspectors, or any employee of the health department while engaged in the performance of the duties prescribed by provisions of this ordinance.

SEC. 8. The health commissioner, his assistants, deputies, and inspectors and the employees of the health department are hereby empowered to enter upon private property for the purpose of ascertaining whether any dog kept or harbored thereon is afflicted with rabies or hydrophobia.

SEC. 9. All fees collected by the secretary of the humane animal commission, pursuant to the provisions of this ordinance, shall be collected and disposed of by him in the same manner as other fees collected by the said secretary are now or hereafter may be required by ordinance to be kept and disposed of by him.

SEC. 10. Nothing in this ordinance contained shall be deemed to conflict with or repeal any portion of any other ordinance of the city of Los Angeles, creating the office of secretary of the humane animal commission, prescribing his powers and duties, providing for humane animal inspectors, providing for a public pound, and regulating the keeping and running at large of certain animals, and providing for dog licenses, but any such ordinance and this ordinance shall each be so construed as to give effect to every provision thereof and each shall be deemed to be independent of the other.

SEC. 11. That any person, firm, or corporation violating any of the provisions of this ordinance shall be deemed guilty of a misdemeanor, and upon conviction thereof shall be punishable by a fine of not more than \$500 or by imprisonment in the city jail for a period of not more than six months, or by both such fine and imprisonment.

Each such person, firm, or corporation shall be deemed guilty of a separate offense for every day during any portion of which any violation of any provision of this ordinance is committed, continued, or permitted by such person, firm, or corporation, and shall be punishable therefor as provided by this ordinance.

[Ordinance No. 25121, adopted May 21, 1912.]

NEW ORLEANS, LA.

TUBERCULOSIS—FUMIGATION AFTER TERMINATION OR REMOVAL OF CASE COMPULSORY.

Resolved, That from and after this date sanitation of premises will be enforced in all cases of tuberculosis, and fumigation will be compulsory at the termination or removal of same.

[Resolution, Board of Health, adopted Jan. 9, 1912.]

NEW BEDFORD MASS.

COMMUNICABLE DISEASES—MARITIME QUARANTINE.

Ordered, That any vessel arriving at this port which has on board at the time of her arrival, or has had during her passage to this port, any sickness of a contagious, infectious, or doubtful character which may be dangerous to the public health, or which has come from or has been in any port, or which has on board any person who has been in any place which has been epidemically infected with any contagious or infectious disease within the six months next preceding such arrival, or has on board any merchandise which has come by transshipment from any such infected port or place within the six months next preceding, or has on board any immigrants (except from British America), shall be anchored at quarantine.

All immigrants on arrival at quarantine shall be subject to examination as regards their freedom from contagious or infectious disease and their protection from smallpox.

All persons arriving on such vessels who have not been successfully vaccinated recently shall be considered as unprotected from the effect of the contagion of smallpox, persons having had an attack of smallpox excepted. And all persons not so protected shall be vaccinated by the port physician or subjected to a quarantine of 15 days' observation.

No article of clothing or bedding in use shall be thrown overboard from any vessel in the harbor of New Bedford without the written consent of the board of health or the port physician. All articles which are to be destroyed shall be burned under the supervision of the port physician.

No vessel shall leave quarantine, nor shall her cargo, or any part thereof, be discharged, nor any person be allowed to go on board or to leave her while in quarantine, without the written permit of the port physician, who is hereby authorized and
